

NETWORK BOOK LIST 1975

David Lorimer writes: a recent trawl through the Network archive revealed the following interesting list of recommended books, typed up on George Blaker's faithful manual typewriter. As readers will see, it covers a very wide field and includes some classic books - everyone will have their own suggested pre-1975 additions, and among mine would be CD Broad - *Lectures on Psychical Research*, just as one example. Among those who were - or are in the case of Lawrence LeShan at the age of 97 - were Robert Crookall, Raynor Johnson, Shafica Karagulla, Arthur Koestler, E.
